ASSISTANCE PROGRAM SIXTH ANNUAL BUILDING  
PARTNERSHIPS CONFERENCE

This information bulletin invites the Service Delivery Areas (SDA) to consider sending Private Industry Council (PIC) labor representatives to the forthcoming annual conference of the California Labor Federation Workers' Assistance Program (CWAP).

Under the leadership of the California Labor Federation, AFL-CIO, CWAP promotes and maintains a vital partnership link between labor organizations and the job training system throughout the state. This linkage ensures that the job training system makes full and effective use of labor's employment and training resources for the revitalization of the state's economy. The CWAP is funded by a Title III 40 percent grant through the Job Training Partnership Division (JTPD).

The CWAP will continue to broker employment and training partnerships between labor, industry, and government to assist union or non-union California workers who are displaced and unemployed or who are threatened to be displaced due to adverse economic conditions or to industry or military base realignments.

The JTPD encourages you to send a PIC labor representative to the California Labor Federation, AFL-CIO, Workers' Assistance Program conference which will be held on May 4-6, 1998, at the Riviera Hotel in Palm Springs, California. (See letter attached).

The SDAs are encouraged to pay the travel and expenses for the PIC labor representative attendee from your State Approved Local Training funds.
